The banner features a large vinyl record in the center. Inside the record, two characters from the game Nikke are shown: one with blue hair and another with blonde hair. The text 'SEA, YOU, AGAIN' is written across the record. To the right of the record, the text 'SO PLAYFUL' is written in a large, stylized font, with 'towana from fhána' written below it. The background is a bright, sunny beach scene with waves, a blue sky, and a small yellow fox-like character in the bottom right corner. The Nikke logo is in the top left corner.
